Basics for Babies

Benefiting Children's Memorial Hospital NICU & Aid For Women in Northern Lake County

We are collecting:

- new or gently used onesies & infant/toddler socks
- newborn/ infant diapers
- 9oz plastic baby bottles & formula
- fleece for blankets
- or dollars or gift cards to buy fleece

Living our service values

One of the core tenets of scouting is that of service. Coming into this Lenten and Easter season, help us celebrate the gift of new life by helping us with our 'Basics for Babies' service project.

We are collecting donations of fleece or money (to purchase fleece) so as to make blankets for newborn infants, as well as collect some of the basic supplies that babies need in the 1st months of life.

** Donation boxes are in the rectory & back of church, or in an envelope labeled 'Basics 4 Babies' **

On Saturday, March 24th, at 9am in the Santa Maria Parish Hall, we will construct no-sew blankets with the donated fleece - please join us for fellowship and fun. We will have everything blessed at the 10:30am Easter masses.

Blankets & basics will be delivered to *Children's Memorial* and *Aid for Women* by the scouts the following week.
